SAFETY WAIVER

I am fully aware and appreciate the risks, including the risk of catastrophic injury, as well as other damages and losses associated with participation in the sport of gymnastics. At Tumble "N" Twist Gymnastics Center we take every precaution to insure the safety of our gymnasts. These measures include: safety training for our staff (including Red Cross Standard First Aid and CPR and safety courses), use of proper equipment, small class ratios, and regular safety training for our students. While this does reduce the risk of injury, it does not eliminate it. All gymnasts participating in gymnastics at Tumble "N" Twist Gymnastics Center assume these risks. I further agree that Tumble "n" Twist Gymnastics Center, USA Academy of Education Physical and Social Development, Inc. along with the owners and the employees, shall not be liable for any losses and damages occurring as a result of my child's participation in gymnastics at the Tumble "N" Twist Gymnastics Center, except where such loss or damage is the result of intentional or reckless conduct of one of the organizations or individuals identified above. I hereby give my consent to Tumble "N" Twist Gymnastics Center to provide emergency medical treatment to my child if I cannot first be contacted.
